High school brought me together with some of the most  
important people in my life; the ones that made each year  
memorable, and got me to where I am now. I knew these  
people as my brothers. You know who you are.

Remembering back from fresh to junior, I can't forget how much fun and laughter there was to share with all my friends and classmates and It will always stay with me. Spending four years of my life at BMHS, it has definitely changed me whether it'd be emotionally, mentally and physically.
